October Happenings

Our 1st through 4th grade classes each decorated a pumpkin as part of a contest to raise money for St. Cecilia's food pantry. Parents attending conferences could make a donation and vote on their favorite pumpkin. Third and fourth grade pumpkins tied as the winners, and they raised over \$270!

Congratulations to our 8th grade boys and 7th/8th grade girls basketball teams! They recently played in the St Mary's Alton Tournament. The boys' team won first place and the girls' team won third. Way to go Crusaders!

Our National Junior Honor Society hosted their annual Halloween Dance! 7th and 8th grade students carved pumpkins in Mr. Stowers' classroom for decorations, prizes were awarded for best costume, and canned goods were collected for a local food pantry. Fun was had by all!

Father McGivney Catholic High School Driver's Education Program!

We are in the process of developing a Driver's Education Program and are seeking assistance from our families and the community to help find a safe and reliable car for this program.

If you know anyone at a local auto dealership or someone who has a good used car for sale please let me know. A donation would be ideal. The donor would benefit from a tax break for the donation and would be a hero to so many future drivers! The car would be needed by January 1st, 2023.

Please contact Principal, Mr. Joseph Lombardi by phone 618-855-9010 or email jlombardi@mcgivneygriffins.com if you can assist. Thank you and GO GRIFFINS!!!

**Who wants
to be a
Millionaire?**

Join us for an informative online presentation by economist, author, and retirement expert, Tom Hegna.

Tom will share simple concepts that can help anyone become financially independent. Not only can people become very wealthy using these tips, research shows they will also likely be much happier and even live longer! Most people think you have to make a lot of money to become wealthy, but Tom will show you how it is NOT how much you make that counts, it's how much you keep.

Spending less than you earn, investing in appreciating assets, having an emergency fund and protecting your blind side with insurance products can allow nearly everyone to become financially successful. Poor planning, procrastination, credit card debt, divorce, and a failure to understand the Opportunity Costs of purchases doom many people to a life of financial stress and unhappiness. This is a presentation you don't want to miss!
