

Miracles of Jesus

Jesus once said, "Unless you people see signs & wonders you will not believe" (John 4:48).

We often fall into the same trap. Maybe you've prayed to God to "show you a miracle" so that you would believe. While God does promise that he hears our prayers & will give us what we need if we ask him in faith, we have to remember that what we want is not always what we need.

The miracles that Jesus performed weren't done in an effort to wow the crowds or to make people believe that he was God. His miracles always had a larger purpose. The miracles of Christ always pointed people back to His Father and to the Kingdom of God.

It is important not to fall into the "trap" of trying to explain away the miracles of Christ through science or sociology.

Christ's miracles prove not only the power God has over sin & death, but the larger reality of God's willingness to heal YOU and work miracles in YOUR life in accordance with His will.
