

Dear Parents:

**I would like to invite your children in 2nd-8th grade who have a love for singing to join the Grace Notes children's choir! They sing once a month at the 11:00 Mass. I gather them from PSR for a short practice prior to Mass. Please fill out the following information below if interested and return it to PSR or take a picture and email it to me at musicministry@stcparish.org
Thanks so much!**
